ALMA MATER

(Tune, "Love Divine")

I.

Walled around by beautiful mountains,
In a valley so serene;
Bord'ring on the Lackawanna,
Behold Jermyn! Her fairest queen.
Proud are we of her achievements,
Prouder still of our High School;
Alma Mater nurtured and fed us,
Taught us All the golden rule.

II.

Many may have gone before us;
Crowned with glory and renown.
Hall and field found them victorious,
Thrilled and cheered us as they won.
Onward! Upward! Our Alma Mater,
Lift her standard wave it above;
Guard her lustre, Crown her in glory,
Uphold her with honor and love.

III.

When we're called away from thy portals,
Distant parts 'tho we may roam;
Fond thoughts of our dear Alma Mater
Will recall to us, our home.
Guiding us and teaching wisdom,
Grateful are we for thy care.
Let us march in conquest triumphant,
Alma Mater! Precious and fair.
